Sir

I have the honor to enclose for information & the Government an application for one months privilege Leave from Mr K a Krishnaswamy Iyengar one of the High School Assistants on account of the dying condition of his father (who is about 82 years old) at Krishnagiri I have allowed him to go from to day subject to the approval of the Government It has been possible to do so by combining the Fifth Form for the month with the Sixth Form, the number in attendance in the Fifth Form since we reopened on Monday being only 36 boys

is exceedingly difficult to know whether the excuses so strongly urged for leave at this time by so many members of the staff are genuine or not and I do not know whether it is possible for the Government to lay down any rule of a general character which shall save the necessity of reference in connexion with so many individual cases The High School Assistant in Lakshmipatanya about whom I wrote already has not yet turned up nor sent any letters. The two brothers, Mr Narasimha Iyengar and Mr Narasimha Iyengar, who believe their mother to be on her deathbed at Melkote, I have allowed to go from today pending the approval of the Government on account of the

Respected Sir,

When I left my native place, my father who is now about 82 years old was in a bad state of health. He was even proposing to have a ceremony known as Sarva Prayaschittam performed. This is generally gone through by Brahmans when they have reached a ripe old age only when they think they are on the point of dying. My father requested me not to leave him in such a condition. I did not, however, accede to his wish, because it was my higher duty not to stay away without obtaining the permission of my official superiors. This day at 9 15 A M, I received a telegram stating that unless I started immediately I could not even see his face another person. The circumstance is that my father leaves behind an estate of nearly six or seven thousand Rupees but I know absolutely nothing of his affairs, such as his lands, money-dealings, debts etc because I never lived with him even since a boy. The whole of this property was acquired by himself, so that he could will it away to whomsoever he pleased. In fact, frequent threats to that effect had given rise to a misunderstanding which hitherto stood in the way of my endeavouring to regain

I most earnestly beg, therefore
